Summary

I am a motivated student, actively seeking extra opportunities to impact the community positively. With a deep sense of responsibility and commitment, I bring a focus on teamwork, communication, and empathy to all of my endeavors. I am passionate about creating meaningful connections, and leading Sarawakian students on their path to tertiary education. I am also a quick learner, adaptable to changing situations, and enjoy taking on new challenges. My goal is to sharpen my skills and values to contribute positively to an organization that prioritizes people and growth.
